This matter comes before the Public Service Commission of South Carolina (Commission) on the request of Qwest Interprise America, Inc. f/k/a U S West Interprise, Inc. (Qwest or the Company) to cancel the Company's Certificate of Public Convenience and Necessity (Certificate) to provide interexchange telecommunications services in South Carolina. A review of the Commission's records reveals that the Commission granted Qwest authority to provide telecommunications services in the State of South Carolina by Order No. 97-391, dated May 9, 1997.

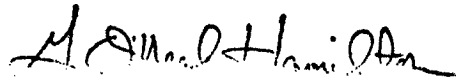

Qwest, by letter filed October 19, 2006, seeks cancellation of the Company's Certification. According to Qwest, the Company is no longer offering telecommunications services in South Carolina.

As Qwest is no longer providing the services for which the Company's Certificate of Public Convenience and Necessity was granted, the Commission finds and concludes that Qwest's Certificate of Public Convenience and Necessity to provide telecommunications services should be cancelled.

IT IS THEREFORE ORDERED THAT:

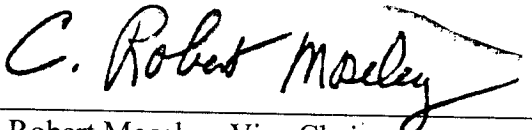

1. The Certificate of Public Convenience and Necessity to provide interexchange telecommunications services in the state of South Carolina authorized by Order No. 97-391, dated May 9, 1997, issued to Qwest Enterprise America, Inc.
